ABOUT **GP PSYCHIATRY SUPPORT LINE**

The GP Psychiatry Support Line is a free phone-in service available for GPs to help them manage the mental health care of their patients.

Our psychiatrists support GPs with information and advice regarding specific cases or general enquiry. There is no limit to how many times a GP can call the GP Psychiatry Support Line.

Records of each GP enquiry, including the Psychiatrist's advice, will be sent back to the GP following each consultation.

This is **NOT** a triage or referral service.
For emergencies call 000
