More information on Accreditation

An accreditation exemption is available until 30 June 2025. This is available to non-accredited practices (including sole providers) who deliver general practice services entirely through mobile and outreach models:

- in rural settings
- in residential aged care
- in disability residential settings
- to First Nations Australians
- to people experiencing homelessness.

For more information and support on accreditation processes, see the [Australian Commission on Safety and Quality in Health Care](#) (for general practice)
